Collection Contents

WIEHLE-CARR : : Wiehle-Carr Architecture Records

Wiehle-Carr Architecture was an architectural partnership between architect A. Louis Wiehle and designer Christopher M. Carr. Bulk dates, 1992-2022. The collection contains a large group of materials related to architectural commissions in residential, commercial, health care, and historic restoration design, including works in association with Eric Lloyd Wright and Taliesin Architects. Collection also holds substantial records related to the Taliesin Fellows organization, publication of the *Journal of the Taliesin Fellows*, and various Taliesin Fellows events. Approximately 40 linear feet. OA+D Archives Collection Number 036.

Architectural Works (1992-2022)

Records related to more than 220 architectural or design commissions from 1992 to 2022. Materials consist of architectural drawings and related project files, models, photographs, and artifacts. Project titles are arranged according to type of work. Project files may contain transmittals; memoranda; meeting minutes and agenda; cost estimates; notes; phone logs; correspondence; consultant information; agency reviews, bidding information; field report; requests for information; change orders; and other project information. Photography files may contain site and construction images; architectural detail photography; historical images; and other forms of visual documentation. Accounting files may contain invoices, billing details, hourly accounting and assigned personnel, contracts, correspondence, transmittals, and similar financial information.

Artifacts (C36 WCA 124.1)

2 original sawed wood panels from Eleanor's Retreat.

Exhibitions/Graphic Design

Records related to the design and installation of exhibitions. Materials include graphical display systems and didactic information for galleries related to the work of Frank Lloyd Wright, as well as corporate clients.

WRIGHT : : Frank Lloyd Wright: The California Projects for F. Schumacher and Company (1993)

Design for gallery installation at the Pacific Design Center in Los Angeles, California. OA+D Archives holdings include exhibition components, project files, publicity materials, and photographs.

WRIGHT : : Frank Lloyd Wright: The Oboler Project Exhibition [Los Angeles, California] (1994)

Gallery installation at Hollyhock House, Barnsdall Art Park, concerning the design by Frank Lloyd Wright of the Arch Oboler estate in Malibu, California. Project files.

KLASKY CSUPO : : Exhibition Booth at World Animation Exposition for Klasky Csupo. Inc. [Pasadena, California] (1997)

Design of a corporate exhibition presentation.

Taliesin Architects Related Works (1991-1992)

Records related to the restoration of the Romeo and Juliet Windmill on the Taliesin Estate [Spring Green, Wisconsin]; Greer Ranch Specific Plan (Taliesin Architects Project Number 9203; Eric Lloyd Wright, associated architect); and Murrieta Oaks Specific Plan (Taliesin Architects Project Number 9220; Eric Lloyd Wright, associated architect).

TALIESIN : : Restoration of the "Romeo and Juliet" Windmill for the Frank Lloyd Wright Foundation [Spring Green, Wisconsin] (1991)

Restoration of a windmill on the Taliesin estate designed by Frank Lloyd Wright in 1896. Construction drawings, project files, and photographs.

GREER RANCH : : Greer Ranch Specific Plan for Inland Group [Murrieta, California] (1992) {C36 TA 9203}

Eric Lloyd Wright and Taliesin Architects associated with this project, a 550 acre community plan. OA+D Archives holdings include drawings and project files. Additional documentation can be found in the [Taliesin Architects Records collection](#).

MURRIETA OAKS : : Murrieta Oaks Specific Plan for Inland Group, Inc. [Murrieta, California] (1992) {C36 TA 9220}

Eric Lloyd Wright and Taliesin Architects associated with this project, a 274 acre community plan. OA+D Archives holdings include drawings, project files, and site photographs. Additional documentation of this project is found in the [Taliesin Architects Records collection](#).

Taliesin Fellows Organization [C36]

Records related to the Taliesin Fellows. A. Louis Wiehle was a founding member of the Taliesin Fellows and founding editor of the *Journal of the Taliesin Fellows*. Materials relate to events such as tours and reunions, and publications.

Taliesin Fellows Reunions

Records related to several reunions of the Taliesin community. Materials include administrative files, publicity, photographs, and publications.

Taliesin Fellows Reunion (1997)

Journal of the Taliesin Fellows

Editorial and other production files for the *Journal of the Taliesin Fellows* issues number 1 to 16. Includes correspondence, manuscripts of published and unpublished articles, photographs, financial records, and various forms of ephemera, periodical excerpts, and other research information related to architects and designers who had participated in the Taliesin Fellowship.

Taliesin Fellows Events

Materials related to various events sponsored by the Taliesin Fellows, including architectural tours.
